4Clicks Regional Training Classes

e4Clicks Project Estimating Introduction, Advanced, Hybrid, and Architectural, Electrical Estimating Classes

4Clicks training gives your team valuable hands-on training designed to get the most out of your investment. Our students gain incredible understanding and great retention. Our training manuals give students very thorough information they can use and take home with them. Registration fee per attendee. Laptops are required and may be rented from 4Clicks. Training demonstration versions of e4Clicks will be provided. Space is limited to the first 20 people who pay for the class. Classes may be cancelled if there are not enough participants signed up for the class. All classes include training material. All other costs are the responsibility of attendees.

REFUND POLICY: Written notice of cancellation is required and is accepted up to fourteen (14) days prior to the first day of the seminar. A \$75.00 processing fee will be applied for all cancellations. Substitutions can be made at any time before the session starts. No-shows are subject to the full fee.
