

RSMMeans[®] Facilities Construction Cost Data

The most complete single source for facilities construction and renovation

2014

29th annual edition

Cost data from the most quoted name in construction

The 2014 *Facilities Construction Cost Data*, 29th annual edition, and all of the RSMean's annual cost data books for 2014, are dedicated to the memory of our respected colleague and friend, Paula Reale-Camelio.

RSMean's[®] Facilities Construction Cost Data *29TH ANNUAL EDITION*

Reference Section

All the reference information is in one section, making it easy to find what you need to know . . . and easy to use the book on a daily basis. This section is visually identified by a vertical gray bar on the page edges.

In this Reference Section, we've included Equipment Rental Costs, a listing of rental and operating costs; Crew Listings, a full listing of all crews and equipment, and their costs; Historical Cost Indexes for cost comparisons over time; City Cost Indexes and Location Factors for adjusting costs to the region you are in; Reference Tables, where you will find explanations, estimating information and procedures, or technical data; Change Orders, information on pricing changes to contract documents; Square Foot Costs that allow you to make a rough estimate for the overall cost of a project; and an explanation of all the Abbreviations in the book.

Table of Contents

Construction Equipment Rental Costs	1325
Crew Listings	1337
Historical Cost Indexes	1371
City Cost Indexes	1372
Location Factors	1415
Reference Tables	1421
